CARA Adapted Physical Activity
Centre Ltd
C/O ITT South Campus,
Tralee
Co Kerry

Dear Parents/Guardians,

The CARA Adapted Physical Activity Centre and the Institute of Technology Tralee in association with the National Council for the Blind and the National Learning Network (Sporting Chance Programme) are delighted to announce the third **CampAbilities Ireland** scheduled to take place on the **2nd-6th of April** this year.

What is CampAbilities?

- A 5 day (4 nights) residential sports and recreation camp for children with vision impairments (aged 8-17 years).
- Our main purpose is to empower each camper to be physically active, improving their health and well being and to support each camper in accessing local sports and physical activity opportunities.
- Participant fees for **CampAbilities 2012** are **150,00 Euro**

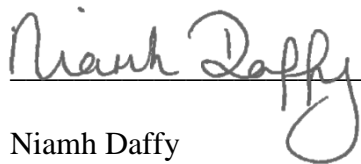

Enclosed you will find the **CampAbilities** registration form. If your child is interested in attending please complete and return no later than the **24th of February**. Due to increased demand in the Camp this year all registration forms will be reviewed in relation to the suitability of the camp for all campers interested. You will be notified of available places by the 2nd of March. Once you receive notification of participation, payment must be made to the CARA Adapted Physical Activity Centre on or before Friday March 16th.

Further details will follow once your notified of participation in this year's camp. This year we also ask for a photo of your child to be attached to the registration form. This is for the purpose of the Meet and Greet session between Campers and CARAs on the arrival day at camp. All campers will have the support of a CARA (Volunteer Staff Member) for the duration of the camp.

Please note: Camp**Abilities** may recommend an alternative for your child based on their needs with regards to participation in the camp, i.e. day attendance only, shorter duration of the residential camp, participation for specific activities only etc. This recommendation will only be based on the best suitable option for your child to gain maximum experience in the camps activities.

In the meantime, should you or your child have any queries please contact: Niamh Daffy
